새콤달콤

What... What
are you
saying?

You got it all
wrong. Nobody
made me cry, no
way.

Oh you, my eyes
are red because
I had dust in my
eyes. You're over
reacting.

No, you stop over
reacting. Have you
noticed you laugh
and talk really
loudly when you're
lying or feeling
awkward?

How do I
know that,
you ask?

Ye...yeah.

Because I've been
watching you.

I've always watch-
ing you, so reading
your creation is
a piece of cake.

So tell me, are you
gonna let Mr. Sun Woo-
Ryeon's counseling
services go to waste?
It's even free,
you know.

Ah, you're so mean.
I'm not even a friend
who Raeli can share
her worries with,
is that it?
How upsetting. Ehh~

OH
MY
GOD

후두두두

Oh, oh no!
Don't cry all
of a sudden.

He? I wonder
what our little
Pochi remem-
bered that made
her cry.

Come
on
blow
your
nose

It's your fault,
Idiot!

I thought
I dried out my
tears a while ago
from crying so
much.

I'm crying
right now?

You made me
remember it by
saying that I'm
not your friend

GOZ, WANNA DIE?
HOW DARE YOU
TREAT ME LIKE A
POOR NOSE BABY!

Ah ha ha.
Sorry, sorry.

...Yuu
Eyes.

You are my precious
friend. So don't say
that you are not my
friend, even as
a joke, okay?

Friend...

As expected,
we can't be
more than
friends,
is that it?

Someone told you
also that they
didn't want to be
your friend? Is that
why you cried?

I made a mistake
and made Edon
angry.

...What
should I do,
Woo Ryuu?

Reiz: You're
kidding. You were
worried sick
because of that?

It's not like he rarely gets
angry, so there's no need for
you to be worried. He is being
childish because he feels
comfortable around you.
All we need to do is teach
him a little lesson.

It's not like that.
He is completely
against me this time.
He didn't merely say
he's not my friend,
he wants us to be
complete strangers.

I don't know
how to explain
my feelings at
that time.

but no matter
what, I didn't want
to be hated
by Eden.

Why do you
think that is,
Woo Kyun?

If you... Bada... and
my best friend Gino
were to be in Eden's
position, I don't think
I would be as sad as
I am with him.

Why is it that
only Eden is
different?

It's very obvious,
Raebl. Don't you
get it?

No. I really don't
get it, that's why
I'm asking you.
Why? What is it?
Tell me, Wee
Ryan. Please

Raebl, do you
realize how
and you are to
see right now?

Why are
you look-
ing at me
with so
much
pain?

Wee
Ryan...

When it hurts,
I don't know
what's going on,
but can you let
go first?

IDONT. I TOLD YOU BEFORE
THAT I WANT TO MAKE OUR
LOVE SCANDAL TRUE- THAT
I LIKE YOU- TO REMEMBER
THAT I AM HERE FOR YOU IF
YOU WANT TO LIKE AND
DATE SOMEONE-

But really does
it have to be
like this?

N... NO. STOP IT.
NOO EFUM.

YOU CAN'T JUST SAY
THINGS THAT I CAN'T
UNDERSTAND AND BE
ANGRY AT ME AND TURN
IT INTO A WEIRD MOOD.
THIS IS UNFAIR.

*I have to release
myself from his
strong grip.*

THIS IS NOT YOU
AT ALL.
I'M SCARED.

He weak-
ened his
grip.

This is it!

WAKE UP! SUN HOO KYUM!
I'M ALREADY DISTRESSED,
YET EVEN YOU'RE NO HELP
YOU BASTARD.

Ouch. This is the
second time. My
jaw isn't going to
last too long.

Well, then give me
a good reason
why you were
acting like that.

Geez, I'm wiped out.
Ultimately, I was
putting on a show all
by myself. I know you
were done, but it's
worse than I thought.
Oh well, what can
I expect from you.

WHY... WHAT. WHY ARE
YOU LOOKING AT ME AS IF
I'M AN IDIOT—

It's
nothing.

GOSH— CAN YOU STOP
TALKING TO YOURSELF?
TAKE LOUDIE. OR DO I HAVE
TO HIT YOU ONCE MORE
TO FORCE YOU?

Listen carefully.
You dance girl!
You like film.

La...la! There's no
way I could have such
feeling toward him
when we fight every
time we meet. Can you
stop making fun of
me!

It's not a joke. I guarantee that it's 100% true.
If you don't believe me,
ask the other people.
I bet ten out of ten people will say the same thing

That you damn Jung
Dandi is in love with
His Eden.

Ha... How can you
make me say all this
with my own mouth!
You never fail to make
me miserable. You're
horrible.

...sor...ry...

I like
Eden?

Impos-
sible!!

I bleep
that rude
bastard, Ho
Eden!

...Gallen's always
my do work.
I don't want my own
work.

How troublesome.
I suddenly became tired...
Since you need some
time to think, I will go
ahead first. I'll see you
tomorrow, Raviel.

Ruh...
Yeah...

How can I fall for
a ragging scoundrel
with a terrible per-
sonality when there
are such better
guys than him?

Jung Dandi
you were a
wasochief
kissaaa~

By the way I'm sleepy

I was up all night thinking so tired

So... Cute

Heidi! Is... teacher!

I didn't know there was a student who has the guts to sleep in my class. Is my class that boring?

THIS KID QUICKLY
GO WASH YOUR
FACE AND COME
BACK, RIGHT NOW!

You sir.

Damn it—
it's all be-
cause of hwa!
Ha Eden-- you
bastard is no
help in my life
at all!

Yes yes. Since I
came out, I should
drink some coffee
before going back.

Hm... Should
I have picked milk
coffee as usual?
Nah. In order to
fully wake up, black
coffee is the best
TT..TT

ARE HOT, HOT!

Tsk, clumsy as usual. What a waste to see by myself.

Ugh, this voice!

No way~ It couldn't be

Cough, it's
really
kind?

Isn't you going to
wash the skirt?
If it dries like that,
it won't come off
later.

This heart is going
crazy. Why are you
beating without
my permission—?

Huh. He's not going
toward the class.
Why is he going the
wrong way?

"Shut the hell
up and disap-
pear from my
face And
don't ever act
like you know
me!"

OK
OK
OK

How ironic
He told me to be a
stranger, yet he
talked to me and
made my heart-
beat... Geez...

YOU HAVE NO RESPECT
TOWARD YOUR TEACHER.
DO YOU? GO STAND IN
THE HALLWAY UNTIL
THE CLASS ENDS!

Yes.

Yes.

Hey hey, can't
you say any-
thing other than
'yes'?

Yes.

Gosh. What is
this. I ruined my
skirt and couldn't
even drink the
coffee.

44 Wind

DANIEL, WHY YOU
WHY ARE YOU SO MOIST
WHILE BEING
PUNISHED? I TOLD YOU
TO STAY STANDING.

Have you by any chance
seen a kid
standing
here?

If you're talking about
Pameli, I sent her to the
nurse's office to take
some medicine. I came to
tell you the news. She
didn't look so great.

Ah, is
that so?

Well, thanks.
By the way,
your clothes...

I'm sorry. I came in
a rush after the
photo shoot,
so I didn't have a
chance to change
into the uniform.

It might be because of
his height or just the
mood that I can't be
harsh on this kid.

Yes, is that
so...

Oh well. I'll let
you pass this
time, but take
caution from
now on.

Yes. Thank
you.

Come on in.
We have to
finish the
lesson.

Yes.

Just seeing Eden's
face made my face
flush like seriously
why did Woo Hyun
have to say such a
thing to make me
more conscious of
Eden?

What should I
do?

Gosh, this is
desane

It sounded like a disaster
raveling in the hall-
ways. Was your stom-
ach in that bad of con-
dition for you to run like
that? You shouldn't
have drunk the coffee.
You got a stomachache
from drinking something
like coffee.

???

I was worried be-
cause Eden said
you didn't look so
well. Good thing
you look fine now.

What,
Eden?

Eden had to
get me out of
trouble? For
me?

Well then,
he is
already.

Ah, alright.

How. There's the
pretty couple. Is
it legal to look
that good
together?
How unfair.

They don't have to be so lovely
doing like that to show that I
have no chance to interfere.
but I wasn't going to interfere
in the first place. I can't go
between them now because I
was the one who promised Ah
I would help her be with him.

I've matured
about my
feeling
toward Eiko.

So this is the
right time to
express such a
feeling.

Yep, I'm
counting on
you.

I just need
to return
this to the
class, don't I?

Bodie,
what's up?

Is it that im-
portant to do
on the rooftop
in secret?

Sorry,
Panda L.

But?

No--
おや 何だ
ジュン * パン * 。

What?!

I thought this was the
only way to talk to
you, so I asked Panda
to set you up.

Pa...Paola,
you—

So...sorry~
I also resent
myself for not
being able to go
against his
hearty
authority~

Paola, you have
nothing to be sorry
about. Someone
who kept running
away from me
should actually be
sorry.

Look me straight in the
eyes and tell me why you
are running away from
me as if I'm infected with
contagious disease. I'm not
in a good mood, so it would
be best for you to tell me
the truth.

Damn!! I'm getting really pissed
I'm not gonna let
you run this time!!

STOP RIGHT
THERE..!! YOU
DAMN GIRL!!

Finally caught
you.

Tsk. With these
short legs... you're
just a flea to me.

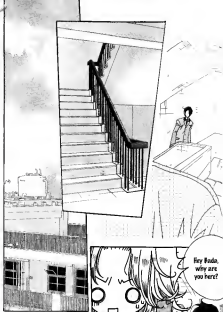

HEY

WHAT IN A GOD—
HOW CAN YOU TREAT
A GIRL LIKE THAT!

Right now my priority
is with this girl.
I'll talk to you later.

たまたま

Sohi Be quiet
and get over
here.

Lower
your
head.

Fuh?

Wait, why
are you here,
Woo Ryun?

Fanbi being
forcefully taken
by Eden was
bothering me.

I was worried about
Fanbi, but I didn't
want to interfere
since he looked pretty
serious, so I followed
them just in case.

Don't you have
anything to say
to me?

You don't want to talk,
is that it? Fine. I will
stay here until you
open your mouth, so
take your sweet time.

WHAT ABOUT
YOU!

What about
me?

You...

YOU SAID IT YOUR-
SELF. NEVER TO ACT
LIKE I KNOW YOU—
TO DISAPPEAR—

SHOWING OFF BY STICK-
ING CLOSE TO AN EYEB
IN FRONT OF ME AND
YOU'RE THE ONE TO
IGNORE ME FIRST.

...yet you
talked to me
but you never
said those
things.

What am I supposed to do
when I'm trying to erase my
feelings for you but you keep
interfering?

If you're going to
ignore me, do it all the
way. You bastard.

NONSENSE. I NEVER SAID SUCH A THING. WHY DON'T YOU GO TO A HOSPITAL AND GET YOUR EARS CHECKED. YOU IDIOT!

You're jealous of me and Ah Ryon being together, right?

STO, STOP JOKING. YOU'RE HEARING THINGS AND NOW YOU'RE DELUSIVE.

WHY DON'T YOU STOP BY THE MEDICAL CLINIC AFTER GETTING YOUR EAR CHECKED? WANT ME TO CALL THEM FOR YOU?

OKAY, FINE.
I LIKE YOU
BETTER?

BUT DON'T WORRY. I'M NOT
THINKING ABOUT INTER-
RUPTING YOUR RELATION-
SHIP WITH AN IDIOT EVEN
JUST A BIT! I JUST PUT ON
A SHOW BY MYSELF, SO
FORGET ABOUT IT!

Well, I said what I
wanted to say, so make
fun of me all you want.
Just go back once you're
done.

うん

Agy,
wa... wahi.
It hurts.

Keep still.

Right now I feel like dying
from happiness, so please
stay like this for a while.

I'll be heading to
school now

Yes

!!

Edna, why are
you at my
home...

I would some major
changes to my
schedule so that
I can go to school
with you.

What's so im-
portant about
going to school
together?

Going to school
together with the
person you're
going out with is
the basic. So I
wanted to try it.

..Is going
out?

What. You like me.
Then obviously
we're going out. Is it
really hard to say
that out loud?

WHAT ARE YOU SAYING?
LIVING SOMEONE AND DATING
SOMEONE IS COMPLETELY DIFFER-
ENT. AND RIGHT NOW YOU ARE
ALREADY DATING AN EYU—

Huh?

Oh, that?

I was just pre-
tending to go out
with her because
of that incident.

No, it's nothing...
I will do something
about Ah Eyu, so
don't worry about it.

Even without the issue
about Ah Eyu, going
out with you is some-
thing to think about
carefully! First of all,
you're a player, plus the
bad personality...

SHUT IT! IF YOU KEEP
ANNOYING ME, I'M
GONNA EAT YOU UP

HAI! WHY DON'T YOU
TRY IT THERE?
LIKE I WOULD GET
EATEN—

Paol, you forgot to
take your lunch
Where did your mind
wander off to?

HEY!

KYA~
A
MOLESTER!!

ALL
NO...MORE

WHAT ARE YOU DOING TO
MY DAUGHTER—
YOU PERVERTED BASTARD!

NO DON'T,
MOM~

!!

DANGER

What a racket in this early morning!

Mom's strength is not a joke!

Yes, I knew you were
a celebrity using
your tall height and
good looks.

Even so,
I cannot just
ignore what
you did to my
Paarl.

I am a deeply honest person, but
I've heard things about your
world. I know that there are
lots of pretty girls in the en-
tertainment industry. If my
daughter is just a temporary
plaything to you, then I
won't allow it.

I apologize for the
unfavorable first
impression.

But I want
you to know
that I did not
approach
Paarl with a
shallow heart.

What?!

I sincerely
like Panda.

I will prove to you
my sincerity if
you say so.

If you want, I will
resign my modelling
career.

Alright. I like the
hot personality of
yours. With that
determination,
I will allow it.

But only with a
precondition of
a healthy rela-
tionship.

Of course!
Thank you,
Mother ♡

NO, HOLD
IT!

THEN YOU BAS-
TARD, WHO GAVE
YOU PERMISSION
TO CALL HER
MOTHER.

AND MOM, WHY DID
YOU DECIDE ON EV-
ERYTHING WITHOUT
LISTENING TO WHAT I
HAVE TO SAY I'M
NOT EVEN GOING OUT
WITH HIM.

I don't want to hear
you say that after
showing the whole
neighbors the
shameful scene in
front of my house
early in the morning.
Stop acting innocent.
It's ugly.

MOM!

You're late, misay.
Hurry up and get to
school. I will call the
teacher for you.

MOM--!

AARG-- STOP
BEING SO CREAKY
MOM!

I'm still in
charge.
Now leave.

Then, we'll
get going,
mother.

Pam! I was wondering where you learn to talk like that, and it was from your mother.

SHUT UP!

Yes,
Eden.

Yes?

Were you really
determined to quit
your job for me?

But you like
wedding. Even
your professional-
ism isn't a joke...

I took a risk.

What?

I was certain that
your mother was
going to fall for
me.

Then...

From the be-
ginning, I had
no intention
of quitting my
modeling job.

WHAT THE HELL,
YOU ROTTING
BASTARD! HOW DARE
YOU TALK GUILT
ABOUT TRICKING
MY MOM!

I didn't trick her.
In any case, neither
didn't tell me to quit.
I just gambled with a
good hand. Don't say
I tricked her.

THAT'S THE SAME
THING. JEZ, OF
COURSE, IT WAS ALL
AN ACT. I KNEW YOU
WERE BEING TOO
SERIOUS.

What are you
saying? Other than
that, I was serious.

WHATEVER, I DON'T
CARE. GET AWAY
FROM ME, YOU
BRAT—!!

What.

Let's get this straight. We even got mother's permission, so you and I are going out.

Do we have to talk about this in front of the classmate? Let's talk about this junk later and let's just go in.

What do you mean by junk? There is nothing more important than this. If you don't answer me right now, I will continue what we did this morning.

Don't joke around. I let my guard down this morning, but I won't fall for it this time.

You talk about that?

OKAY, LET'S GO OUT,
LET'S GO OUT~!

HI

You should've
said so before.

웅크

What, wasn't Edan going out with Ah Eyan? What the hell is going on?

웅크

웅크

Power. By the looks of it, it seems like Doabi and Edan are going out. Someone explain if you know anything about this

HEY-- QUIET, QUIET!
CLASS IS STILL IN SESSION
SO EVERYBODY BACK TO
THEIR SEATS. YOU TWO AS
WELL.

Ah, you're
here. Thanks
for coming.

Either way,
I also wanted
to speak to you
in private.

What is it,
Elen?

I, from today onward,
am resigning as your
boyfriend.

Why...why..?

I told you at the hospital. That I would be your boyfriend until you completely heal. You also agreed, didn't you?

I did, but.. You know I can't fix my limp leg even after the reoperation. That means I am yet to be healed. Then why?

Am I bothersome to you now? Is that why you are giving such treatment on an account of it so... You are too harsh!

You are the one who
is harsh. And you
know the reason
better than anyone.

!!

Sorry, I'll have to
listen to your story
later. I have an
afternoon schedule.

E, EDEN

Hi

Hi

Don't let them know
the truth, I

No way, it
can't be.

Yes, that's
it... yeah.

For just being
persecuted right
now.

Her huh??
Break up!
Stop Joking

In my world, only
I can have the dog.
How dare you poke
at my pride. Keep
thinking about it
unless we disagree.

What?

Ah, Ah
Eyes.
—Are you
really Ah
Eyes?

How dare you
act innocent and
back-stab me.

In front of me, you begged
for forgiveness as if you
had all the sin in the
world— That's why I
trusted you, yet you flirted
with Edna and made a fool
out of me behind my back!

I understood why
you are mad, but
flirted with Edna.
That's too much.

TOO MUCH? DON'T MAKE ME
LAUGH. THAT'S NOT TOO
MUCH. THANKS TO SOMEONE,
I BECAME A LSS CRIPPLE! YET
HOW CAN YOU DO THIS TO ME!

OHAY, YOU BECAME LIKE THAT BE-
CAUSE OF ME. I WAS VERY - SORRY
SO I WANTED TO DO EVERYTHING
YOU TOLD ME TO DO. BUT WHAT
CAN I DO WHEN MY HEART WON'T
LISTEN TO ME.

OKAY

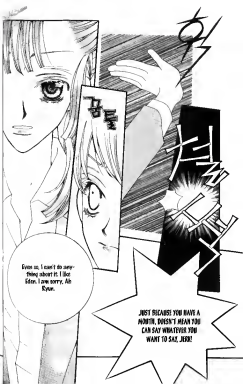

FE

EVEN THOUGH I KNOW IT
IS MY HEAD, MY HEART
SAYS NO— WHAT CAN I
DO WHEN IT'S TELLING ME
I LIKE YOU.

WHAT DO YOU WANT ME
TO DO WHEN THINGS
JUST TURNED OUT THIS
WAY WITHOUT MY INTEN-
TION!

Shawarma bitch.

Even so, I can't do anything about it. I like Eden. I am sorry, Ah Ryou.

JUST BECAUSE YOU HAVE A MOUTH, DOESN'T MEAN YOU CAN SAY WHATEVER YOU WANT TO SAY, JERK!

Sorry, you can hit
me till your
heart's content.

Dawood! Jung
Daebi what
happened to
your hot teacher

YOU DITCH, YOU THINK
THAT'S GOING TO
HELP!

Jeez, what a sight. Is that really the Lily Princess, Ye Ah-Eye?

They say nice people are scary when they are angry, but wow~ This is not a joke.

Ugh~ When Paeil was slapped, I felt it right on my chest. It looks like she has some experience in hitting people.

Oh my my, you're right. What happened to her angel like personality.

Sket. I was too angry that I didn't notice a lot of kids were watching

*If I continue,
it will be
worse for me.
I have no
choice.*

Ha

AM! AM
RYUN!

Huh. Have you checked it out yourself?

Yeah, uh huh .
What, really? You're saying that Lily
'Witch really did that?!

Woo.. Woo
Eyaa.

Oh...

Lately, I've noticed
that you have been
avoiding my eyes
and talking suspi-
ciously on the phone
quite a lot..

Well, are you
going to tell me
what you are
planning with
Eden or will I have
to force it out of
you?

...Yes, so
that's
how it is.

Eden pretended to
go out with Ah
Eren for that
reason, you say.

Because of it, he also
triggered Paul's
jealousy, catching
two birds with one
stone. That cheap
barbarian.

Yes... But I'm not
sure why Eden and
Paul are clinging
to that Lily Wink.

Are they bothered by
the fact that she is
the CEO's daughter?
Or do they feel bad
that Wink is the
only one who was
injured during the
accident?

Currently
reporting
everything
to Eden—

I shouldn't
have asked the ques-
tion.

You... You really
don't know?
You were there
at the scene.

MIND YOUR ATTITUDE—NOBODY
TELLS ME ANYTHING,
SO OF COURSE
I WOULDN'T KNOW.

I COULDN'T BARE TO ASK
DURING THAT TIME BECAUSE
OF THE TERRIBLE ATMO-
SPHERE. AND EVEN AFTER HE
CAME BACK TO KOREA,
EVERYONE SEEM TO MIND
THEIR OWN BUSINESS...

--Look of
disbelief

THIS IS WHY I DIDN'T WANT
TO ASK. SURE, I'M SLOW AS
HELL, SO YOU BETTER HURRY
UP AND TELL ME WHAT IS
GOING ON.

What I know
is that-
Fardil...

Fardil suddenly
touched the mental link
on the giant placard
which caused it to fall
on Edan's head.

And Ah Eyon's smile
became like that from
trying to save Edan.
She'll have to live with
that injury till her
death, probably.

What, till her death? That's why Edan...

Yes, with his personality, he wouldn't stay still.

Now, we shouldn't leave Edan to do everything alone. Shall we help him out a bit?

Oh?

I have a good plan to make you interested?

Okay, I'm in~

Yeah...
—I'm alive, right?

Waaaaah Edan,
it was so scary...

There, there, you
did a good job.
I'm proud of you!

Yo. Should I be
thanking you for
showing me
something good.

How is
Eden
here!

E.
Eden—

I am.

Kyo Kado, you
planned this all
along, didn't you?

How nice that you
know how to back
stab like this, but you
crossed a line that
you shouldn't have,
you know?

Yes. This is my true
personality. Are you
disappointed?

I didn't expect
anything from the
start, so there's
nothing to be
disappointed in.

Mmm.
This coolness
of you is also
why I like you

It might not be bad to
capture you into my
grasp and slowly
make you obey me.

You...

Are you sure
you like Eden?

How I use
it is...

You're right, Kay
Padoa. To be precise,
I'm being possessive.

His looks are
perfect to hang
around me.

And I like the big
pride of his. Guys who
easily fall for me
have no charm.

Sigh...

Thanks for treating me as a
HIGH QUALITY ORNAMENT,
but it's too bad that I see you
as nothing. You weren't my
type when you pretended to
be good, and now that you
have shown your true color,
I dislike you even more.

Considering that I'm
not your type, you
only dated me
because my leg
became messed up
trying to save you,
huh? Though that
was my intention as
well.

Wrong.

I only dated you to
protect Pashl from
your harassments.

Because I really like Pashl,
it is obvious that I want to
protect her.

He is a fool
who fell in
love.

Shounen

Ah, also there was something I had to do in secret after keeping you relieved.

What is that?

I thought it was impossible, but does Edie really know the truth?

For now, it's a secret.

Ha, don't
make me
laugh.

I am the daughter of your
company's owner, and my
dad gives me everything
I ask for. I'm sure you all
know that I have a big
influence here and there
without me having to say
it out loud, right?

If you don't want to be
kicked out of this floor,
then don't forget that
I am the one carrying
the big stick.

ESPECIALLY!

Heh. Even if they look
like I am giving up
now, but someday
you will be mine.

I'll look
forward to it.

Whoa Ryuu,
how did
it go?

It went well.
It was perfect.

This is it.
With this, all
the preparation
is finished.

Good.

Don't forget,
I still have things
to straighten out
with you.

Two of you planning
with your heads
together without me
was messed up, but
for now, I will just
move on.

I know. After we deal
with this issue, let's
straighten things out
between us.

Up— Please
leave me out
for that.

I am sick of
being pushed
around by
you...

Alright. We will
do- fr-uitfully make
you part of it.

Are you really
going out with
Eden?

It's not true, right?
It's just a rumor like
the last time you had
scandal with Yoo
Eun, right?

What? are you saying.
Of course they are going
out. Can't you tell after
seeing how Eden treated
Raeil? Right?
I am correct, right Raeil?
You guys are going out,
right?

But I wonder why he broke
up with Ah Eyun? I can't
find any reason why he
would dump Ah Eyun and
choose you instead. Etern
really has a unique taste.

SURE. I DON'T HAVE THE LOOKS.
THAT DOESN'T MEAN YOU HAVE
TO FLAUNTLY RUB IT ON MY FACE.
AND YOU CALL YOURSELF
MY BEST FRIEND—!!!

Calm your temper.
It's not like I said
something wrong.
So you must be
daring him. Wow—

Here here.
Stop running away
and tell us every-
thing. Did Gisa really
dump Ah Eyon?

Then what is going to
happen to Ah Eyon.
She's a bit pitiful. Her
pride must have been
shattered after being
dumped even though she
is the class beauty.

Maybe that's
why she changed
radically. She gets
pissed off easily.

Ah, did you see her stop
Panda's cheek last time?
She was spewing flames
from her eyes, wow~
It wasn't a joke. And then
she fainted out of no-
where-- Anyways, I didn't
see her that way, but she
was furious as ever.

You. Usually the nice person tends to be scary when angry, but now, after seeing the real thing, I never want to go near her.

Hey hey, guys. Let's not stray away from the topic and get to today's highlight "drum roll"

"I'm not sure about smooching,
but we did kissing."
Isn't that natural between
two lovers?"

What?!

What is he
saying-!!

Note: Smooching in Korea usually means
kissing on the cheek or a childish kiss.

Any other
questions?

No, no more.
That's it.

That's right,
I totally forgot
that it was my
turn to take out
the trash.

Thanks for shooting them
away, but did you have
to say such thing in that
manner?

Who? It's not
like I had or
anything.

It's been a while
since I ate with you,
daddy.

I'm sorry, princess~
Daddy was too busy
to spend time with
you!

Then you have to buy
me an expensive lunch,
okay?

Of course!

Heh.

Oh what a surprise.
Ms. Han Soo Il.
What brings you
here without
a notice?

I have something to
discuss with you, President.
Yo, it's good that your
daughter is here as well.

?

IF THIS IS A JOKE,
YOU ARE GOING TOO FAR.
MY DAUGHTER WOULD
NEVER DO SUCH A THING.

My son also would not
lie about something
like this. I am here
because your daughter
definitely pushed my
son on the stairs.

Is what she is
saying true, Ah
Eyes?

Truthfully, I know
Roda did not like me,
but I didn't think he
would frame me like
this.

This is unfair.
Please believe
me.

Ah
Roda.

STOP! THAT'S
ENOUGH.

ALTHOUGH MY DAUGHTER
IS VERY MUCH
HURT, I WILL PRETEND
THAT YOUR RUDE ACT
TODAY DID NOT
HAPPEN, SO HOPEFULLY
THIS WILL NOT HAPPEN
AGAIN.

Please calm down,
President Yo. I did not
come here to end it like
this. This is a matter
of no other than my
precious son.

MISS HAN
SAE HEE?

Do you think
I came here with-
out any proof?

!!

They should be
here by now...

Sorry for
making you
wait.

This girl kept us
waiting.

WHAT IS THIS,
BA COEN. I MADE TIME
FOR THIS? WHAT'S
GOING ON? IS TODAY
A SPECIAL DAY?

THE MS. BAH SAE HEE—
AND ANOTHER AS
WELL?!

I am confused as
well. This is overly
rude for all of you
to come rushing in
like this. What is
going on?

I'm sure you have
heard from Mr. Han
Sae Il-ah, so I will be to
the point. We have a
video proof.

I caught the scene on
my phone "by chance"
so the quality isn't as
good, but you can
clearly recognize the
face and the voice of
the person.

What is all
this—

Would you like to
see it yourself?

... If you bother me one more time like this, you will experience something worse than just rolling off the stairs. Do not forget.

Ra. daddy
That is...

Why you!!!

How did this
happen, Ah Ryuu.

9/4

...My.

my leg is like this from trying to save you, but how can you repay me this way? It's all Ravel's fault for ruining my leg, but you still defiled Ravel only, and you even got Rada and Wio Egon involved in this by providing me and taking the video.

How can you do this to me, who ever likes you?
...How cruel.

How -- If you apologized and sincerely repented of your act I wasn't going to take this out, but you brought it onto yourself.

This is your
medical report.

It was hard for me to get hold of
it, but after persistent begging and
verifying my identification, the
doctor eventually gave in. But
there is something strange about
this. You clearly told us that you
will have to live with a crippled leg
for the rest of your life, but in here
it states that your injury is a light
scratch with slightly fractured
bone which will be completely
healed in two weeks.

Now, who is more cruel
here? Is it you who lied
to all of us or is it Randi
and I who suffered
from guilt of making
you a cripple?

WAIT,
HOLD ONE
HOLD ONE!

This is too com-
plicated for my
head to handle

So what you're saying is
that Ah Eyer's leg is
perfectly normal, but
intentionally hid to act
in that if? Ahahaha...

YOU'RE MISSING ME ONE.
YOU DON'T EVEN UN-
DERSTAND KOREAN,
YOU STUPID!

THIS IS ALL YOUR FAULT—
IF YOU DIDN'T IMPUDENTLY
TAKEN WHAT WAS
ORIGINALLY MINE IN THE
FIRST PLACE, THIS WOULD
NOT HAVE HAPPENED.

DON'T BITE OFF MORE THAN
WHAT YOU CAN CHEW. DO YOU
THINK YOU ARE WORTHY OF
BEING KNOWN YOUR PLACE.
YOU ARE RATHER FOOLISH
THAN NAIVE.

WHY
YOU—

It's okay,
Noda.

Yes, if what you're
saying is true, then
I am foolish. I was
foolish all long to be
tricked by your
angelic mask.

But is that all you
can say to me?

OKAY, THAT'S
IT--

Now I have no
reason to be left.

But I have a reason
to lift. And you know
very well what it is.

...I roughly
understand
what is going
on.

It seems like I have
been educating my
daughter poorly.

It's true that my daughter has some faults, but she also saved Eden from a dangerous situation, am I right?

With that in mind, let's end this here and cover it up.

I have something to say about this.

I recently learned the truth about the accident so I couldn't speak up, but also I don't have any proof to support my statement, so I will leave it up to you to believe me or not, Mr. GED.

Hehe.

Before the accident,
I was on an errand
to buy some drinks
when I saw Lily
Witch, a.h.. I mean
Ah Eren touching the
metal lock. At that
moment, I didn't
think much of it...

DON'T LIE!

Really, it's not true.
That is really an obvi-
ous lie to corner me
down. You believe me
don't you? Don't you?

How strange.

After hearing Rado's story, I asked a friend over there to check the security camera, and it happens that you were caught on camera loitering the safety device on the mental lock.

But if you're denying it, then who could it be? If you want, I can ask them to send the tape to check.

...Ah Eyee, did you really do such a thing?

Do you even know the
importance of that
show...? Even though
Eden's injury was minor
and the show ended
well, how could you...
Were you this frighten-
ing child all along?

We all seem to
need some time.

Po...daddy...

Go study abroad
somewhere for
the time being

I was half expect-
ing it, but she abso-
lutely didn't come.

I wonder if Ah Eyon
is okay. We might
have been too harsh
on her. I kind of feel
sorry for her.

YOU'RE BEING SOFT - JEET! DON'T
FORGET ALL THE THINGS SHE HAS
DONE TO YOU - GOHET!

Karous really
does exist.

By the way, you
sounded like a whole
old group.

Okay.

We, too, don't feel too
great about this. Like
the president said, we
all need some time. You
know the saying, 'Time
heals all wounds'. So
don't worry too much
about it.

Oh yeah, Elen.
I suddenly
remembered.

What's the security
concern all about?
When did you
prepare such
a weapon?

No.
No way!!

Ah ha ha. As long
as everything
ended well.
All that matter
is the end.

YOU WERE LYING
ABOUT IT-??!

We're so glad
you are on
our side.

I don't care
I didn't receive my
weekly schedule
list. And it was all
bustle with Ah
Eyes's happening
as well.

What happened to
that ventricles Strong
Byak? By now he should
be calling you guy's cell
phone until it explodes.

By the way, you guys
don't have any schedule
today? By now, it
should be the busy
season, but why are
you all leisurely?

The happy
memory soon
turns into
painful
remembrance!

Because your stomach door
wasn't closed, you might have
to be hospitalized? Then
what about us?

WITH WHO'S PERMISSION
ARE YOU TAKING ME BACK TO
THE HOSPITAL TIME~

Are you okay if Seung Hyuk's
also turns into cancer?
Although it is temporary,
we don't want anyone else
to be our manager, and if you
reject us, Seung Hyuk has
to drag his sick body to do all
the work.

Ah ah, poor
Seung Hyuk~

ALL, OKAY
I'LL DO IT, I WILL!

You heard her,
right? Yes...
Fold up.

Here. He
wants to
talk to you.

Yes, Soung Byuk.
Yeah... Uh-h.
Haha-haha.
Of course, leave it
to me. You just take
care of your health.
Yeah... Good bye.

ET

Pa...down it

"Pawr"

"Take" care
" of us ♡

Perhaps, you returning as
our manager might be a
sign from God telling
you to retry. Let's think
of this as a brand new
start and try our best.

In your dreams. Don't overlook the fact that she is already taken, Sun Won Eyo.

Who cares. You're going to Paris soon anyway. Long distance never works out, you know.

Faris? What are
you talking about,
Wise Eyes?

I heard he was offered a
full time training under
Luxordery. As a result,
it is an offer you can't
reject, isn't that so,
Eden?

Eden is
leaving?!

Like you said,
it is true that
I received the
offer.

But I rejected it right then
and there. What's so good
about leaving when my
girlfriend is here. And in
the end, I have the good-
does to become the
world's best ever here.

Ex, really?

I'm glad.

Isn't you
being too
arrogant?

But it's true he is
good. I believe
that it is possible
if it's Eden.

I'm
happy

I'm very glad
that I met
these boys

I pray that this
happiness will
last forever

♥ THE END ♥
